We are planning another free community family night at the library for people of all ages. The date will be Thursday, April 19, and it will be held from 5:15 to 7:00 p.m.

Our theme for that evening will be DOGS. We are still in the planning stages, but we will offer dog related performers and activities, prizes, and a lot of fun. The Lakeland Animal Shelter will be bringing some dogs for us to meet about 5:15 p.m. We hope to be able to get a trainer from Petsmart and her dog to offer a short program also.

Just like our last family night, we are planning to offer a free dinner as part of the program. This should be a fun evening! We hope that you will be able to join us!

To register, please call us at 882-5155, or stop at the circulation desk while you are at the library.

Celebrate the Environment in April!

It is well-known that April showers bring May flowers. But did you also know that April is a great time to do something positive for the environment? Earth Day is celebrated annually on April 22nd. Worldwide, various events are held to demonstrate support for environmental protection. Consider cleaning up the trash or debris in your neighborhood that has been covered by snow for the last few months or saving those April showers using rain barrels to water your May flowers!
